

REV UP YOUR RESEARCH...

...with a **FREE AUTO-Carrier™!**

This LIMITED TIME OFFER will expire September 1st!

It couldn't be a better time to Rev Up Your Research with a ScanPro All-In-One™ from e-ImageData. Between June 1st and September 1st, you will **receive a FREE AUTO-Carrier™ with your purchase of any current ScanPro® model***.

This limited time offer includes:

- Free AUTO-Carrier (AC) – Anytime an AC is provided (purchased or no charge), the first year annual software subscription fee is included at no charge.
- Free 90-day trial of AUTO-Scan® Pro – Allows you to scan fiche and roll film at **100 images per minute**. Without AUTO-Scan Pro, the ScanPro reverts to the AUTO-Scan software which scans 20 images per minute for both fiche and roll film.

The ScanPro All-In-One is the first and only truly universal microfilm scanner for on-demand, conversion scanning. Experience the best of both worlds with this limited time offer!

Contact your local reseller to order your ScanPro All-In-One today!

**Offer valid June 1, 2018- Sept 1, 2018. Applies to the purchase of any ScanPro model with a roll film carrier.*
